

# SUPPORT THE 2021 MARIA CARRILLO CROSS COUNTRY TEAM!

8/15/21

**Make all checks payable to MCHS PAB**  
(Puma Athletics Boosters)

Most costs attributed to athletics cannot be totally sustained through public school funds. Annual breakdown of costs for XC team is roughly, \$7.5-\$8.5K each season (travel expenses, uniforms, meet entry fees, training equipment). ...At this time, we are asking each MCHS XC parent to donate \$100 per athlete to help cover our season expenses but keeping in mind, this request is not a prerequisite for making the MCHS 2021 XC team; it is a donation so, any \$ amount will help!

**MCHS IS RANKED AS ONE OF THE TOP TEAMS IN THE STATE!** ...Donations from our community will help our team attend these prestigious competitions:

Ed Sias Invite (9/11 Martinez), Woodbridge Invite (9/18 L.A.), Clovis (10/9 Fresno), State Championships (11/27 Fresno)

The MCHS XC teams have had much success over the years in our North Bay League (Girls have won league titles 17 yrs. in a row/Boys 9 years in a row!) and in North Coast Section and at the State Championships! Our team has one of the HIGHEST GPA FOR ANY TEAM ON CAMPUS! Expecting 2021 to be another "banner" year!
